

## **Making application from the message to life:**

- 5) Who are some of the people that have positively influenced you in your spiritual journey? How will you pass on what they did for you?
  
  
  
  
  
  
  
  
  
  
  
  
  
  
  
- 6) Some people don't respond like you might hope? How do you remain positive (godly) to keep discipling? What kinds of things should you keep in mind?
  
  
  
  
  
  
  
  
  
  
  
  
  
  
  
- 7) Do you see people you are involved with as part of your spiritual adventure? How can you be a source of encouragement and even discipleship to help them in their spiritual adventure?
