Worship God in humble purity!

- Men, lead in worship with prayer in humble confidence before God. Get off your laurels and on your feet, bottom or knees and lead. Women will follow.
- Women, emphasize the heart and good works, regardless of what other women say and do. Grooming of the soul is far more important than grooming and adorning of your body. A sinful soul will be seen, regardless of grooming.
- Women, recognize godly men will respect Paul's words and lead; run from foolish men.
